

FINANCIAL LITERACY PROGRAM

In 2009 a study was done by the FDIC regarding the unbankable population in the United States. The results was that 48.6% of Latino households, 52.4% black and 29.6% non Latino or black have no banking or financial relationship. Our program addresses the Stewardship and Justice parts of the National Hispanic Christian Leadership Conference directive and brings financial mobility to your church members. Below are some our services to save money and resources for each of your members and a financial opportunity to your church and the Hispanic Christian Scholarship Fund to raise funds.
